Hi Mark,

Sure no problem, a couple of options below:

We can do the pair for £25. Where are you based?

If you send me your address I'll create an order with a link to pay via our website.

Best regards

Hello Mark, thank you for contacting us.

We can do a pair of each design for £23 in total. That would do both sides of the bike.

Something like this?

A stylized gold logo for a motorcycle. It features a large, bold, italicized 'C' on the left that frames the word 'COMMANDO' in a similar font. The number '750' is positioned above the 'O' in 'COMMANDO'.
